

I am telling you now you may ask
Mr Florence about it he at the time
took my name as well as Aldrichs
now Aldrich has been writing saying he
was going to Simpson about it I went
to Chief Peck with his letter & he said we
owe it to the State to tell anything we
know

I never saw Henry Stevens only on those
occasions (twice) in my life he (Aldrich)
wants to sell our story to a paper but
I dont want it

I know I will be called into it by him
& not wanting it I would suggest that
you take it up with those it concerns
to see me immediately I trust &
thanking you I await a reply from
you I remain yours truly
